

Portrait format with scratch-off field
A6, 105 x 148 mm

Front (document page 1)

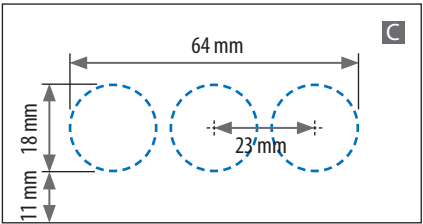

Back (document page 2)

- A = file format
- B = finished size
- C = winning field 64 x 18 mm
- D = scratch field 66 x 20 mm
Area not visible after application of the scratch-off ink.
You do not have to create the field in your file!

Dimensions winning field

Print file delivery
For each upload field 1 x 2-sided PDF (front and back).
If you would like to leave the back unprinted, the blank page must be included in the PDF.

Winning field / scratch-off field
When designing this area, do not exceed the maximum design area of 64 x 18 mm!
This way, your layout is definitely covered by the scratch-off ink.
