= optimal visible area (21 mm)
= partially visible area
Only create the background here!

! Data delivery:

- as PDF/X-4
- fonts and logos vectorised
- minimum font height: 3.6 mm (lower case)
- min. thickness of the lines 0.86 pt (0.3 mm)
- Image resolution: 300 ppi minimum

! Please ensure that the option "overprint area" is deactivated.

! Due to production reasons, it is possible that the cut mark is visible at the end of the wristband.

! Only a continuous print possible on the inside of the lanyard! It is not guaranteed that the print on the inside is exactly in the same place as on the outside. One exception is the satin material, which can be printed with a precise fit.

- See appendix:**
