safety distance
fold line

Please note

For text, logos, and important elements, it is essential to keep the safety distance (blue dashed contour).

You must select the page orientation in your graphic programme. Do not rotate any pages as print PDFs.

Window

- The window is punched out automatically. Only create the background here!
- safety distance to the window 5 mm
- corner radius 4 mm

Back

In the sealed product this area is not visible.

Diagrams are not to scale
